

Waterford Phase Map

Northeast Pond: Pathway around the perimeter creates a pleasant walking experience; further features a fountain in the pond's centre, water feature on the plaza, a playground and outdoor gym.

School Site: This public school site includes space for the building and two supporting play fields. Also has 36 parking stalls and areas dedicated to bus loading and parent drop-off.

South Neighbourhood Park: Front entry has a water feature and seating node. The large open play area can function as a skating rink in winter. Creative playground structures and a circular tri-play basketball court complete this park.

Neighbourhood Node Plaza: A well-landscaped space with benches and picnic tables to gather at. Serves as a connection between the pathways and commercial area.

Southwest Neighbourhood Park: Spacious open play area with manicured landscaping. The creative playground includes benches and picnic tables with a trellis overhead.

Central Pond: Includes a perimeter pathway, seating areas throughout and a playground. There are also several lookout points, water features and a fountain to enhance the waterscape theme.
